Hurricane Irma Images and Video from The County Channel

Beaufort County's Broadcast Services team has captured images countywide showing the effects of Hurricane Irma to our area. Visit the [County's facebook page here](#) and the following links from The County Channel (also [available here on YouTube](#)) to see images:

- [Lady's Island Airport Area](#)
- [Lady's Island Boat Landing](#)
- [Mossy Oaks](#)
- [Waterfront Park](#)

Additional images courtesy of the Sheriff's Office are available [here](#).

Please note that there are areas in Beaufort County much less affected than others. Residents and visitors are still encouraged to remain indoors and to follow government sites and local news outlets for additional information.
